*Client Support Commissions are paid on adjusted retail price (ARP). ARP is 95% of the price of the product. All compensation bonuses are paid on Commissionable Volume (CV), which is currently 48% of the adjusted retail price (ARP).

**Percentages represent maximum payouts on front-line HCs and clients. On orders placed by clients or HCs below your front-line, you earn the difference in the percentage between your rank and the rank of the HC below your front-line.

***Leadership Bonuses are paid on overall CV to the second Leader in the organization at or above your current rank.

Other Opportunities to Earn

Client Acquisition Bonus (CAB)	Develop 5 personally-sponsored clients and \$1000* in orders within your first 30 days to receive a \$100 bonus
